LETTER OF EXPERIENCE

Recognizing Outstanding Performance

Owais Ahmed

This is to formally acknowledge the successful completion of a three (3) months Cybersecurity Internship at **Cyberster**, from 21 June, 2026 to 13 September, 2026.

During the internship, the intern participated in structured technical tasks, practical exercises, research activities, and cybersecurity assignments designed to provide hands-on exposure to real-world security concepts and workflows.
Throughout the internship, the intern demonstrated commitment to learning, responsibility in completing assigned tasks, and a willingness to improve technical and professional skills. The internship provided practical exposure to cybersecurity methodologies, documentation, analysis, and security-oriented problem solving.

During the internship tenure, the intern demonstrated discipline, consistency, adaptability, and the ability to follow technical instructions and incorporate feedback. Participation in assigned activities contributed to the development of practical and professional understanding of cybersecurity.

At **Cyberster**, our internship program is designed to provide students and aspiring professionals with practical, industry-relevant exposure to cybersecurity. The successful completion of this internship reflects the intern's commitment to developing their technical capabilities and professional understanding of the field.

We appreciate the efforts and participation demonstrated throughout the internship and wish continued success in all future academic and professional endeavors.

Regards,

Umer Imran
